

I am dismayed to hear of Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election. It is clearly an attempt to try to sway voters against Kerry.

They are abusing their power to further their own agenda. I respectfully am requesting you to exert whatever authority you have to forbid them from airing this documentary.

In all fairness to both candidates, I would like to see at least some semblance of propriety in the coming election.

Thank you.
